

Applications and nominations are invited for the position of Professor of Statistics, any level (tenure-track Assistant Professor, tenured Associate Professor or tenured Full Professor), in the Department of Statistics at the University of California, Los Angeles.

The position targets candidates with high quality research, a strong teaching record, and with expertise preferably in one or more of the following areas: Environmental Statistics, Social Statistics, and Spatial Statistics. Qualified candidates must have a Ph.D. in Statistics or Biostatistics. The position is effective July 1, 2009.

Reviews for the position begin March 1, 2008, and will continue until the position is filled. Interested applicants should send a letter describing how their qualifications and interests would fit with the position description, along with their curriculum vitae, to:

Professor Jan de Leeuw
Department of Statistics
University of California at Los Angeles
8125 Math Sciences Bldg,
Box 951554, Los Angeles, CA 90095-1554

The applicants should arrange for three letters of recommendation to be sent to Professor De Leeuw. Until the file is complete with the requested information, the application cannot be given full consideration.

The University of California Los Angeles and the Department of Statistics are interested in candidates who are committed to the highest standards of scholarship and professional activities, and to the development of a campus climate that supports equality and diversity.

The University of California is an Affirmative Action/Equal Opportunity Employer.
