

## Visiting Professor positions at the Department of Statistics, Universidad Carlos III de Madrid

The Department of Statistics at Universidad Carlos III de Madrid offers positions for Full-Time Visiting Professors, beginning October 1st 2008. Potential candidates must be in possession of a Ph.D. degree and have verifiable research experience in at least one of the following fields:

- Statistics,
- Econometrics, or
- Operations Research

The position is offered for a two-year period. The salary will be based on the regulations of the local Government of Comunidad Autónoma de Madrid (CAM) for this class of contracts. The contract may be renewed for a maximum of two additional two-year periods, contingent on the academic requirements of the Department. Any renovation of a contract will be dependent on a satisfactory teaching and research performance by the candidate. Conditions for any renewal contract will be discussed individually with each candidate. Once the contract period is completed with satisfactory results, the Department may consider offering a Permanent Position of Profesor Titular de Universidad.

Information about Universidad Carlos III de Madrid and the Department of Statistics can be found at <http://www.uc3m.es> and <http://www.est.uc3m.es>, respectively.

Interested candidates should send the following documentation:
