General Issues

It is important to know that all participants have to register for the Conference. Details about the registration procedure will be given later.

If requested, the IASE is normally happy to give permission for authors to submit their papers (or a more comprehensive version) to other journals. If this occurs the author must seek approval of the editors of the ICOTS8 Proceedings and the IASE President. The

paper must have an acknowledgement saying *"This article was written for, and published in, the ICOTS8 Proceedings and is reprinted (in revised form, if relevant) here with the permission of the IASE"*.

More information is available from the ICOTS-8 web site at icots8.org/ which will continue to be updated over the next three years, or from the ICOTS IPC Chair John Harraway, (jharraway@maths.otago.ac.nz), the Programme Chair, Roxy Peck (rpeck@calpoly.edu) and the Scientific Secretary, Helen MacGillivray (h.macgillivray@qut.edu.au).

A handwritten signature in black ink that reads "J.A. Harraway". The signature is written in a cursive style with a large, looped initial "J".
