January 27 – 29, 2010
The University of Texas M. D. Anderson Cancer Center
Houston, Texas USA

Call for abstracts for invited presentations

Researchers are invited to submit abstracts for consideration as invited presentations at the conference. Topics in the application of Bayesian statistics to clinical trial design and analysis, health policy, epidemiology, and related areas will be considered.

Submission Deadline: October 4, 2009
Submit your abstract via e-mail to Lydia Davis: lbdavis@mdanderson.org

Submission Requirements:
Abstract title; text of 150 words or less; authors, affiliations, and contact information
Applicants will be notified of the decision of the Program Committee by November 2, 2009.

Program Committee:
Donald A. Berry, PhD, Co-Chair; The University of Texas M. D. Anderson Cancer Center
Telba Z. Irony, PhD, Co-Chair; CDRH, U.S. Food and Drug Administration
Kathryn Chaloner, PhD; The University of Iowa
Stacy R. Lindborg, PhD; Eli Lilly and Company
Andrew Mugglin, PhD; University of Minnesota
Sharon-Lise T. Normand; PhD, Harvard Medical School
